Mystic Lodge No. 2 K. of P., has elected members to office for the ensuing term, as follows: P. C., W. C. Wilder, Jr.; C. C., A. E. Murphy; V. C., A. W. Keech; Prel., Geo. Bruns; M. of W., C. A. Peterson; K. of R. and S., A. V. Gear; M. of F., J. H. Schnack; M. of E., M. A. Gonsalves; M. at A., A. W. Clark; Trustee, F. W. McChesney. Installation will take place in the Castle Hall on the next regular convention, Wednesday, June 3rd. Deputy Supreme Chancellor Chas. J. McCarthy being the installing officer.

A tale is told, which comes from the wilds of Waialua, and which does not reflect creditably upon the material that is contained within the official lines of the lately organized Sportsman's Club. This club is supposed to have for one of its main objects, a strong desire and intent to prevent poaching, but, the tale goes that, on a late occasion, and "just before" Christmas, an officer of the society in company with one of the directors was caught, in flagrante delicto, with guns in their hands upon grounds upon which they had no right. Poaching is akin to midnight robbery and the Club should look to its laurels.

LOCAL NEWS.

The steamer Oceanic is telephoned off Waimanalo as we go to press.

Business is very dull in all lines of trade, except politics.

Oahu Lodge No. 1. K. of P. meets to-night at its Castle Hall for election of officers.

It is reported that a "business" meeting was held at the house of the Attorney General last evening.

George Manson succeeds Mr. Day as business manager on the "Star" and Edward Towse takes Mr. Manson's reportorial position.

Advertise in the HOLOMUA if you wish to make times better than they are and desire to receive the patronage of those who pay cash for their goods.

A local photographer has offered to furnish the Government with pictures of progressive Hawaii and also to duplicate the views for distribution amongst the correspondents of the principal newspapers of the world, who may be present at the coming Midwinter Fair.

The HOLOMUA reaches all sorts and conditions of people. It is the paper of the masses, of the bone and sinew of the community. A paper which the honest workingman can read and readily understand, and which the unscrupulous seekers after power and profit will read and damn.

Every readers of HOLOMUA who is engaged in a business that can be advertised, should appreciate the widespread distribution and influence of the paper as, unwittingly but necessarily, admitted by the Advisory Council. Each speaker knew the paper and had read it and "you bet," they will continue to read it.

The HOLOMUA is to-day the only fearless exponent of the views of the middleclass and of those whose labor rather than their tongues, build up cities and push them forward to planes of honor amongst industrial and commercial nations. The HOLOMUA expects the aid of the tradesman, the storekeeper and the workingman.

The following list comprises the lately installed officers of Hawaiian Lodge No. 21, F. & A. M.: H. E. Cooper, W. M.; J. H. Soper, S. W.; re-elected. C. L. Crabbe, J. W.; Thos. E. Wall, secretary, re-elected. W. M. Giffard, treasurer, re-elected. A. B. Scrimgeour, senior deacon. H. H. Williams, junior deacon. J. A. King, marshal, re-elected. A. Mackintosh, chaplain, re-elected; C. Williams and Jas. Gregory, stewards; J. M. Angus, tyler, re-elected.

ADAPTED.

NEWLY SELECTED MEMBER OF ADVISORY COUNCIL.

I'd like to have my picture taken. PHOTOGRAPHER. Cabinet?

NEWLY SELECTED MEMBER OF ADVISORY COUNCIL.

No; just plain everyday member of the annexation club.

Mr. J. Emmeluth and the "Holomua."

Mr. J. Emmeluth when he is not plumbing and tin-smithing, occupies his gigantic brain with political and journalistic matters. He is the President of the Publishing Company which publishes that scurrilous sheet known as the Star, and he is also manager of the fossilized Hawaiian paper—without a subscription list—which is called the Kuokoa. Owing to his literary turn of mind and his journalistic experience he was appointed a member of a so-called newspaper committee in the Advisory Council of which he for some reasons unknown is a member. The duty of that committee has evidently consisted in seeking occasion to interfere with the freedom of the press, and by gag laws and muzzling acts preventing the opposition from being heard, and at the same time granting the utmost license to the government press and encouraging it to abuse, slander, vilify, and scandalize everybody differing from the committee's opinion.

For nearly eight months, the newspaper committee has been slumbering, and nothing has been heard from them, but the occasion has come for Mr. Emmeluth now to awake and shake his mane, and with fierce roars, look around for some paper to devour. But why has the occasion arisen? The reason is very simple to the initiated while perhaps the outside world doesn't grasp the situation.

The "HOLOMUA" has been a thorn in the eye of Mr. Emmeluth, because it sadly interferes with the success of the papers with which he is connected. While the subscription list of our papers is daily increasing the Star and Kuokoa are going behind—and Mr. Emmeluth is getting weary of digging and procuring the sinews of war. It looks to say the least unfair for a member of the Advisory Council who is the manager and proprietor of rival newspapers to use his official position in an attempt to suppress or injure a competitor in the publishing business. But such action is fully in accord with the other exhibitions of fairness and honor of the Provisional Government for which it has become notorious since the day when it refused to give passage to the representative of the Queen on the Claudine. However Mr. Emmeluth's attempt was frustrated, and he was as usual sat on.

The debate on Mr. Emmeluth's resolution in the Council was very instructive and amusing. The political and journalistic tin-smith-complained seriously, because every native and half-white in the government building subscribed to the HOLOMUA and not a d—d one to the "Kuokoa" or the "Star." Mr. Tenney who evidently reads the HOLOMUA said that nothing said there could "ruffle a single hair on his head." We have been willing to undertake a great deal, but we beg to assure Mr. Tenney that under existing circumstances, we would not attempt for a moment to "ruffle a hair on his head," we are not in the microscopic business just yet. Mr. Hatch has heaped burning coal on our heads, because he can give us

not alone an excellent certificate of our importance but acknowledged our great value. This is what Mr. Hatch, according to the "Star," said: that the HOLOMUA was doing a great benefit to the cause of decency and good government in this country. We needn't say that we fully agree with the learned councilman.

The charge made in Mr. Emmeluth's organ, the Star, that the HOLOMUA ever has advocated violence against the Provisional Government is false. We challenge the Star or Mr. Emmeluth to point out a single line in any of our issues in which we have incited the people to revolt. On the contrary we have day in and day out, advised the Hawaiians and all supporters of constitutional government in Hawaii to leave their affairs confidently and patiently in the hands of the United States Government and quietly go about their business everything will then come out all right in the end. In the meantime, Mr. Emmeluth is very much mistaken if he thinks that the sheet over which he presides will be allowed to indulge in the vilest and filthiest slanders against every man, woman, or child, public or private person, without retaliation being made by the press which advocates the independence of Hawaii. The Star has started a line of journalism in Hawaii which has never been known here before. If we write in a style which may meet the spirit of the annexation organ in a fitting way, we only do what is just, fair, and extremely proper.

THE MISSES ALBU

At Kawaiahao Church.

An Excellent Concert Last Night.

The Concert which the Misses Albu the gifted singers who have visited Honolulu for the past weeks gave at Kawaiahao Church last night for the benefit of the Church funds was a great success all through. The Church was not filled so well as could have been desired the reason probably to be sought being the present unfortunate political feeling. Many of the music loving people of Honolulu had gathered though and they greatly appreciated the excellent programme which was rendered. Professor Berger who opened the concert with his orchestra playing "The Diadem" by Hermann deserves many compliments for the efficiency and excellent playing of his orchestra which only has been under his care and management for a short while. There are among the players several who rank far above an ordinary and are veritably acquisitions to our community. Miss Albu sang during the evening Meyerbeer's "Robert, Toi que J'aime" and Handel's "Angels Ever Bright and Fair" besides "Aloha Oe" and rendered all numbers with that superb skill which has secured her her high standing as a singer. Her sister Miss Rose Albu sang Gounod's "Ruth Entreat me not to leave thee" and Balfe's "Good Night Beloved" besides the beautiful Hawaiian song "Like no a Like" and was received with the same enthusiasm as greeted Miss Albu. But it is as duettists that

the two artists show themselves at their best. Their voices blend beautifully and their technique is simply perfect. Handel's duet from the Messiah "He shall feed his flock" and Horn's "I know a Bank" were the bravura numbers of the evening and it is only to be regretted that it, at least for the present, was the last time that these great singers will be heard here. Mr. Booth assisted the ladies by singing two songs which he rendered in his usual pleasing and clever manner and which were duly recognized by the audience. Mr. S. L. Barsotti showed himself as a virtuoso on the piccolo playing Adam's solo "Through the air" in a most excellent manner. Professor Berger played the accompaniments in his usual efficient style using a piano of an excellent tone which the Hawaiian News Company kindly had provided for the occasion. The Concert is the last to be given here by the Misses Albu, but we hope that they have received sufficient encouragement notwithstanding the difficulties under which we labor so as to be willing to return to our shores at some future date. Their genial manager Mr. M. L. N. Plunkett we trust is satisfied with the result of his visit, and we cordially invite him to "call again" either with a opera troupe or some concert singers.
